CALENDAR

How encouraging it is to know that God, in His infinite wisdom, God our sovereign King of kings, Lord of lords, desires to liberate us from the dark dungeons that hold us captive.

We often think of freedom as a constitutional right, but it really is more than that. It is a God-given spirit that enables us to live according to the will of Jesus Christ and to perpetuate the good news of the Gospel in spite of oppressive circumstances.

The adversary desires to imprison every active believer who does the will of God. He desires to bind us – mentally, physically, emotionally, financially, psychologically, institutionally, and for certain spiritually. He positions armed and dangerous cohorts to enslave us against our will.

BUT THANKS BE TO GOD, WHO GIVES US THE VICTORY!!!
(I Corinthians 15:57).

One must never underestimate the power of prayer. It has been well said, *“Little prayer, little power, o prayer, no power; much prayer, much power.”* God will dispatch every resource needed to release our restraints and open the iron gates for our deliverance and liberation.

A praying church can do much on her knees. It was customary within the ancient African civilization for women to get on their knees to give birth. As we participate in our deliverance we too must get on our knees and **push – Pray Until Something Happens!**

Then be prepared to open the door, as the answer to your prayer and the deliverance from your dilemma is manifested (Mark 11:24)

“Modeling Authentic Kingdom Living”

James Levert Davis and Arelis Beevers Davis, Servant Leaders

#THE LEGACY CONTINUES

Save your people and bless your inheritance; be their shepherd and carry them forever.

Psalms 28:9

Leaving behind a legacy is the aftermath of positively impacting the world you live in. Psalm 28:9 encourages believers to care for one another, as well as, invest in to what is to come.

This Quadrennial is about supporting the future of the Young People's and Children's Division by celebrating the many generations that have contributed to its growth and by leaving behind a legacy so that the next generation can do the same. The YPD will continue to thrive because of the countless individuals, past, present, and future, who have been shepherds in this organization. The YPD is more than your average organization. It is family. It is tradition. It is friendships. It is love.

We are powerful. We are legends. We are YPD.

Church

Whether you currently call Seaton Memorial your church home or you did at some time in the past, you know that this is a special place where God is worshipped. It is not the building or the people alone that make this a special place, it is the truth of a Savior, Jesus Christ, who calls us to be with him. Come proclaim and celebrate with us the One who can provide the ultimate Homecoming.
